## About Seeds of Faith Academy

Seeds of Faith is a non-denominational, Christian school serving students in Indiana and Armstrong counties. What makes us unique is that students from Preschool (3 year olds) through 12th grade are all located in one building. Older students mentor the younger students and are taught to be servant leaders. Our core subjects include Bible, Language Arts, Math, Science, and Social Studies while our enrichment courses include Art, Music, Physical Education, Computer/STEM, and Library. We strive to partner with parents and the church to fulfill our mission of preparing students for lives of transformation and service through excellent Christ-centered education knowing that we cannot do this alone.

**Jeremiah 29:11 – For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans that give you hope and a future (NIV).**

### Preschool/K-Prep

The Preschool Program provides foundational learning for cognitive and social development. This program prepares children for their first school experience with introductory instruction in Bible, math, literacy, science, art, and music. Children will learn in a nurturing environment that helps them with readiness skills essential to classroom success.

### Kindergarten

Our full-day Kindergarten program incorporates elements of readiness skills with a focus on learning that allows children to develop critical thinking and problem solving skills through hands-on experiences. Our goal is to provide a healthy foundation for spiritual, social, emotional and academic growth

### Elementary

Formal education is introduced to our students at the elementary level. A strong emphasis on the integration of Biblical principles combined with a curriculum that builds a solid academic foundation ensures students have what they need for future success. Teachers create an environment where students are excited about learning and are dedicated to educating the whole child – spiritually, academically and physically.

### Secondary

SFCA offers a secondary (5-12) curriculum that is designed to challenge students with career ready and pre-college learning. Independent and collaborative instruction prepares students with the skills and knowledge they need to succeed. Our desire is to graduate Godly young men and women as ambassadors for Christ.

Chef's Showcase is a fundraising event for Seeds of Faith Christian Academy that will take place the evening of Monday, February 17, 2025 at The Home Farm Barn in Indiana, PA.

This event will showcase the talents of area chefs as they come together for a good cause. Chefs will set up stations and do a tasting of their signature dishes, or try out new dishes.

The showcase will be an evening of food and fellowship for all. Attendees go around buffet style to various stations and taste each dish. The event continues with a silent auction of items, and the evening concludes with a live auction of packages of dining experiences from participating chefs. A People's Choice Award for the top dish will be named as well.

You can participate in our annual Seeds of Faith Chef's Showcase in a number of ways:

- Event sponsorships are available at various levels and offer excellent brand exposure for businesses, as well as the opportunity to entertain clients and customers at the event. See the *Sponsorship Packet* for more information.
- Restaurants, caterers and other culinary professionals are invited to host a tasting station, which offers a superb venue for promoting your business as well as receiving valuable feedback about new or experimental dishes. Additional details can be found in the *Chef's Packet*
- Businesses and members of the community can also participate by purchasing tables or individual reservations — a great way to show appreciation to employees or clients, and also a fun night out for couples!

For more information, or to register for sponsorships, tasting stations or to make reservations, contact Rachael Biddle at (724) 463-7719 or [biddle@seedsoffaihtacademy.org](mailto:biddle@seedsoffaihtacademy.org)

## **Presenting Sponsor—\$5,000**
